Infinite Presence -
Unlimited Potential**

Thursday, Sept 12th 9 to noon.

What is my potential?

Myrtle Fillmore wrote: "This is our method of prayer: acknowledging our oneness with God, claiming the ability that this gives, and expecting to have the things needed and conducive to spiritual progress."

Come to experience your oneness with God, and light a candle.

I celebrate the vast possibilities for my life.

The Procedure for hiring a new minister through UWM (Unity Worldwide Ministries).

- Board members complete surveys provided by UWM and returned to UWM prior to a consultant's visit
- The church community participates in training and transitional consulting services
- Questionnaires (Steve called them "packets") are sent from UWM for each church community member to complete
- Completed packets are returned to UWM
- Compiled data from packets is returned to the Board by UWM
- A search team is selected/appointed by the Board (1 board member + church community members)
- The search team is responsible for screening candidates and viewing DVDs of their services provided by UWM
- Qualified candidates selected by the search team are forwarded to the Board
- The Board invites finalists to visit the church and present a Sunday service
- Church community members score/ vote after each "audition"
- All feedback is compiled by the Board
- An offer is negotiated
